ParcelPoint

Redefining Last-Mile Delivery in Kenya

Convenient | Secure | Affordable

Ideal for...

Residents

Collect packages conveniently near home, with no waiting.

E-Commerce Buyers

Get your online orders delivered to a secure, nearby locker.

Courier Services

Simplify last-mile delivery with no additional cost to the driver.

Why Choose ParcelPoint?

Convenient Pickup

Say goodbye to missed deliveries and long waiting times. ParcelPoint lockers allow you to collect your package at any time, on your schedule.

Cost Effective

ParcelPoint offers an affordable, pay-as-you-go service without subscription fees, making it accessible for everyone.

Secure and Private

Your package is safe in our secure lockers until you're ready to pick it up. Our robust security system ensures your peace of mind.

Easy Payment Integration

With MPESA, making payments is instant and secure. No need to carry cash or manage additional accounts.

How it works

1.Receive Notification

When your package is delivered to a ParcelPoint locker, you receive an SMS notification with a secure 6-digit access code.

2.Collect Your Parcel

Head to your nearest ParcelPoint, enter the code, make a secure MPESA payment, and collect your package instantly.

3.Safe and easy

Our secure lockers are accessible 24/7 and are installed in convenient locations across residential areas, schools, offices, and shopping centers.
